Customer Relationship Excellence (CRE) Awards www.apcsc.com/creaward/index.asp

The Customer Relationship Excellent (CRE) Awards has recognized many industry leaders and professionals for their customer centric service innovation. The participants have come from more international cities and business sectors in both corporate and individual categories, all demonstrating their business successes, best practices and insights on CRE. With the introduction of the Customer Service Quality Standard (CSQS) as important CRE Awards judging criteria, the participants have been benefited greatly from the best practices and critical success factors from a world-class framework.

Customer Service Quality Standard (CSQS) www.apcsc.com/csqsnet/index.asp

The CSQS has been developed jointly by the Asia Pacific Customer Service Consortium (APCSC) and the researchers at the University of Hong Kong (HKU), with industry support by the CSQS Committee Asia Pacific. It is the highest certification awarded to customer centric service organizations and centers that excel in customer relationship excellence. CSQS holds the most advanced and comprehensive key to providing a clear step-by-step roadmap for companies to reinforce their CRE strategies and the best customer services. It embraces and integrates the balanced scorecard (BSC) management system and the ISO9000 quality management to provide a world-class framework with crystal clear roadmap and directions for transforming an organization into a customer-centric unit.
