**Hong Kong & Asia Pacific Customer Service Consortium Announce Winners of the
20th International Customer Relationship Excellence Awards
~ The Most Important International Awards of its Kind ~
《 HKCSC & APCSC 25th Anniversary 》**

Hong Kong, China – November 11th, 2022 – At the *2022 International CRE Awards Ceremony*, **Hong Kong & Asia Pacific Customer Service Consortium (HK & AP CSC, The Consortium)** have announced the list of **Winners** for the *2022 International Customer Relationship Excellence Awards (CRE Awards)*. They are selected through a comprehensive balanced score card of self-assessment benchmarking, business case presentations, mystery calls, CSQS site assessment by the judging panel based on the *International Customer Service Quality Standard (CSQS) 18.0*, public webvoting and a final round of judging by a panel of CRE experts. **The goal of the CRE Awards** is to promote service quality and Customer Relationship Excellence in international cities across regions and to recognize governments, companies, business units, teams, and individuals that have contributed to the success of both their customers and the organizations that they serve.

Mr. Jason Chu, Chairman of HK & AP CSC said, “On behalf **The Consortium**, I would like to thank the HKSAR Government officials, our members and friends from the *International CRE Leadership* community across business sectors, for their congratulation notes on the 25th Anniversary of HK & AP CSC for your long time support, encouragement, and congratulations! We also would like to thank our **Guests of Honor and Awards Presenters: Professor Francis Law, Chairman of International Dispute Resolution and Risk Management Institute, Ms. Selina Lau, Chief Executive of The Hong Kong Federation of Insurers, and Mr. Mike Mi, Director of China Council for International Investment Promotion**, for their support and congratulation notes to the *HKCSC & APCSC members and Awards winners on the 25th Anniversary*.” **Mr. Jason Chu** continued: “Our International CRE Awards winners are truly industry leaders who are relentless in pursuit of excellence. *CRE Leaders are Innovation Leaders!* Today, we celebrate the perseverance, transformation and achievements of our international CRE Leadership teams in cross industries in Asia Pacific. We are so excited to see the digitalization, automation, AI, Big Data innovation, and mobile apps to create better customer experience. *CRE Leaders are Trailblazers!* The future continue to be a challenging year, however, with the boarder opening and friendly travel policy we look forward to economic revival. *CRE Leaders are Insanely Customer Centric Leaders!* Today, we celebrate the **20th International CRE Awards**. On behalf of APCSC and the CRE Awards organizing committee, congratulations to all of you, innovators, trailblazers, and disrupters for unrelenting Customer Relationship Excellence!”

Mr. Suen Kwok Lam, BBS, MH, JP, Executive Director of Henderson Land Development Co. Ltd. said, “Henderson Property Management Department (Hang Yick and Well Born) has been putting continuous efforts for innovations and improvements to have achieved Corporate Environmental Leadership of the Year (Property Management) and Customer Satisfaction Quality System of the Year (Property Management) presented by the Asia Pacific Customer Service Consortium. These achievements have fully manifested our commitment and dedication to strive for excellence in providing premium property management services. These achievements not only served as a proof of customer’s recognition, but also a great encouragement to motivate us attaining even better performance. Looking forward, Henderson Property Management Department will continue with our management philosophy – ‘Interactive Services for Quality Management’ to achieve even more with our team members. On the other hand, APCSC has been keeping up with the market trends to motivate corporates to develop in different aspects, which should also be highly recognized and respected.”

Mr. Raymond Choi, General Manager (Customer Services) of HK Electric said, “Having powered the homes and businesses of Hong Kong since 1890, HK Electric has set a good track record of providing a safe and reliable electricity supply to customers on Hong Kong and Lamma islands. In 2021, the Company achieved for the second year in a row its world-class power supply reliability rating – over 99.9999% – one of the best records in the world. It is our great honour to have received the “Public Service of the Year (Public Utility)” for 14 consecutive years, as well as 8 other individual awards received from the APCSC CRE Awards – a recognition of our commitment to service excellence and of the efforts we put in to make it happen, year on year. We will continue to exceed customers' expectations and achieve total customer satisfaction by continually enhancing our services. ”

Mr. Chee Choong Ng, Senior Vice President and Managing Director of DHL Express Hong Kong and Macau said, “We are proud to receive eight CRE awards this year, recognizing our unwavering pursuit of service excellence amid the increasingly complex challenges in the global supply chain. This award is also a testament to our commitment to Hong Kong as we celebrate our 50th anniversary this year. Insanely Customer Centric Culture is – and has always been – a core part of DHL’s DNA and we are truly thankful to have a dedicated team who embraces this service excellence mindset. The awards will inspire us to advance our service quality and contribute to the city’s recovery. ”

Mr. LIM Him Chuan, General Manager of DBS Bank (Taiwan) said, “The bank is committed to provide best-in-class services with RED spirit: Respectful, Easy to deal with, and Dependable. As the World’s Best Digital Bank, we actively extend our service to digital channels and provide seamless banking service to customers. With the iChatBot services on LINE platform, almost all banking services are available for customers to bank on the go amid the pandemic. Moving forward, DBS Taiwan will continue to invest in digital innovation and enable our customers to “Live more, Bank less” as a different kind of bank.”
